

Cow Comfort

- At 3", the FOAMAT™ provides the maximum amount of Cow Comfort available from any cow bed on the market.
- Removing the stressful elements in the stall allows for a much larger, more comfortable rest...this equals a more productive, healthier cow.
- The FOAMAT™ will not compact and become hard. The material has a memory that maintains resiliency.

- The FOAMAT™ pad is 100% waterproof and the TC 8914 Top Cover is water repellent.
- Eliminate knee and hock damage with 3" of shock-absorbing foam that alleviates her pressure points while lying down.

- Provides great traction by allowing her hoof to slightly depress into the FOAMAT™
- Curb side of the mat is beveled to promote liquid run-off, keeping a dryer bed.
- Easy to Install
- Easy to keep clean
